standing for Ameri

When a society is as much at risk as the victims of intolerance. In the United States we are infected with many hatreds. Among those most in danger are Muslims. How we confront Islamophobia will determine the health of our society. Though other ethnic and religious groups have been targeted, it is the misunderstanding of Islam that is among the most pervasive.

Disdain for and fear of Muslims exists among rich and poor, liberal and c

ing cry for our conference. To grapple with this issue a coalition of Jewish, Christian and Muslim local groups will host a conference on Islamophobia on May 6-7th at St. Mark's Cathedral, Seattle.
